

attention FDA: Keep Irradiation Labeling!

Re: Docket # 98N 1038,
"Irradiation in the
Production, Processing,
and Handling of Food"

demand the FDA keep irradiation labeling prominent by requiring product packaging and produce signage to use the radura symbol and the term "irradiated." I feel alternative terms such as "cold pasteurization" are misleading and should never be used.

United States Shipping

1. Complete applicable white sections of the U.S. Airbill. Sign and date the Airbill at the Sender's Signature line. Please press hard.
2. Peel off protective covering from back of Airbill.
3. Attach Airbill to envelope within dotted lines shown.

Limitation on Contents

The maximum acceptable contents of a Letter Express are forty (40) 8-1/2 x 11 pages. If the gross weight of the contents, envelope and airbill exceeds 1/2 pound, the next higher rate will apply. Contents must be of a size and shape which fit the envelope and allow it to be securely sealed without damage. Cash or cash equivalent should not
